ALSCO® trim coil is flexible; even 1T bends won't phase it

DYMALAR 2000 TRIM COIL

ALSCO Dymalar® 2000 trim coil has a rugged, flexible, smooth finish that protects against cracking, chipping and flaking. The coating is engineered to withstand the harshest elements for a lifetime of virtually maintenance-free beauty.

PVC TRIM COIL

ALSCO PVC is a thick, protective coating specially formulated to create a rich, textured look. This provides the coil with exceptional scratch resistance, exterior durability and superior flexibility. This coil produces a perfect accent to every job.
